How To Find Us

AVRO Golf Club is situated near the end of Old Hall Lane, a single track road with passing places. The entrance to the lane is by Woodford Church, almost opposite the Davenport Arms car park, where Chester Road changes to Wilmslow road on the A5102.

Depending on where you are travelling from, and what time of day it is, the best route could be one of at least six. Hopefully when you have determined the best way to reach the local area, this guide will help you on the last leg of your journey.

We all hope you have a pleasant visit and enjoy the picturesque and challenging course which we are very proud of.
